

Are you a **scientist** who wants to learn how to code? A **coder** who's curious about science?
Or do you just want to build something cool? Come learn, hack, and make connections

FALL HACKATHON

Source: "Seasonality of Chicago's Crime",
<http://redd.it/uhne4>

November 14–15, 2014

Starts at 5 PM on November 14
